City of Greensboro Code of Ordinances Chapter 6-

Any person may be permitted to perform electrical work upon his own property except property Intended for rent, sale or gift provided he first makes application for and obtains a property owner's electrical permit from the electrical inspector for the work contemplated. The applicant shall either pass an examination equivalent to the state license examination for electrical contractors or furnish satisfactory evidence of having passed it, before the issuance of a permit, regardless of whether a license is required by state law. The electrical inspector shall then issue a permit to the applicant to perform the work for which applicant to employ the services of any other person to assist him unless such other person is duly licensed. The permit granted the applicant shall automatically expire upon completion of the work. All work done under permit shall be subject to regular electrical inspection Requirements and fees and shall satisfy all requirements applicable to such work.

In compliance with the above city ordinance, Section 6-113, I certify that I do not intend to rent, sell or gift the aforementioned property, for a minimum of a year. I understand that I am to perform the electrical work myself and shall not employ the services of any other person unless he/she is a licensed electrical contractor. Furthermore, I certify all the above provided information is to the best of my knowledge, true and correct.
